

Pennsylvania AHEC CHW Continuing Education Series

FREE CONTINUING EDUCATION FOR PENNSYLVANIA COMMUNITY HEALTH WORKERS

The PA Area Health Education Center's new Training Center for Health Equity, and Project ECHO at Penn State College of Medicine, are offering a monthly series of free continuing education for Community Health Workers (CHWs).

This monthly series will launch on January 17, 2024, from 9-10 a.m. This ECHO series seeks to train CHWs in an effort to strengthen Pennsylvania's public health infrastructure and improve community health outcomes.

Register for this series at: <https://redcap.link/CHW2024>

Series Schedule

Sessions will take place from 9-10 a.m. on the following dates:

Jan. 17, 2024

May 15, 2024

Sep. 18, 2024

Feb. 21, 2024

Jul. 17, 2024

Oct. 16, 2024

Mar. 20, 2024

Aug. 21, 2024

“All Teach, All Learn”

The Project ECHO model of continuing education leverages the power of all participants learning and sharing together. ECHO sessions consist of a brief educational presentation with Q&A, followed by group discussion on de-identified patient cases submitted by participants. As such, it is a guided, virtual learning community aimed at supporting attendees in caring for their clients.

PARTICIPATING IS FREE, SIMPLE AND VIRTUAL.

- Register for the series at any time (even after the series has begun) at no cost, and get reminders for upcoming sessions.
- Submit patient cases when you can (and if you want.)
- Join sessions using the Zoom video conferencing platform with links that are emailed to you.
- No need to travel. Participation takes just one hour of your work day.

BENEFITS FROM PARTICIPATION

- A statewide learning community of professionals like you.
- Presentations from subject matter experts on topics you help to select.
- Suggestions on managing your most complex clients.
- Free continuing education credits you can use to maintain your PA CCHW certification.

What to Expect

- Experts dedicated to sharing knowledge with you and learning from you
- A welcoming atmosphere where people feel comfortable participating
- Responsiveness to your feedback on evaluations
- Respect for your experiences, skills and time
- Increased knowledge

Project ECHO

Project ECHO (Extension for Community Healthcare Outcomes) is an internationally-recognized, evidence-based approach to continuing education and tele-mentoring that leverages the power of sharing knowledge across miles and across disciplines. Project ECHO started at Penn State College of Medicine in 2018 and aims to improve health outcomes and access to care within and beyond Pennsylvania.
